Best Box Lunch Chicago was founded on the premise that not every occasion calls for the same style, presentation and cost where box lunches are needed. Our goal is to provide our clients with multiple alternatives for a given catered lunch or event need. Whether you are feeding VIPs such as your customers, employees or relatives or providing a no-frills, quick and easy low budget lunch, it is our hope that our multiple levels fill your need...with one caveat—no reduction in quality. We have been the food business for over 60 years and if there is one thing we have learned; Quality and Freshness must be present for ultimate customer satisfaction.

Our Food

Best Box Lunch Chicago offers a variety of meats, cheeses, bakery fresh breads and vegetarian selections in our sandwich and salad menus. Our menus are always monitored and updated to offer foods and flavors on the cutting edge to today's cuisine trends.

Our Packaging

Special occasions call for special measures. This is why your message acknowledging, congratulating, welcoming or just saying thank you, can be custom printed and attached to each box lunch. We can even change the color of the tissue paper in our executive level box lunch to match your corporate color logo. In addition, all of our sandwiches are wrapped in environmentally friendly stay-fresh paper.

We hope you enjoy our box lunches and if you have a special request or occasion and need a custom designed box lunch, just ask. We are here to serve you.

Our Service

At Schaul's we believe in our hearts that service above all is what keeps our customers coming back again and again. From our Customer Service and Sales Representatives, to our creative, versatile kitchen staff and to our professional and courteous delivery drivers, our #1 goal is your 100% satisfaction. Service is the key.

Since we serve only the freshest foods, we request that orders be placed by 1 pm for next day delivery. For orders serving 100 or more, we kindly request 48 hours notice.

You can count on Schaul's for the highest quality foods and service for all your catering needs. You have my name and word on it.
